a. Logistics Integrated Management System (LIMS) Cost Negotiations - [redacted] In accordance with the terms of our existing Letter Contract with [redacted] preliminary negotiations were held on 24 May 2983, relative to the proposed Cost Plus Award Fee (CPAF) arrangement for the LIMS development effort. Whereas the bulk of the technical and/or cost issues/questions were resolved during the earlier proposal evaluation and clarification process, the major items to be resolved during these negotiations were the provisions/ terms for the payment of fee (Base & Award), and the formulation of a System Maintenance Option agreement to facilitate the provision of maintenance services through 1995. Other significant issues included the proposed labor and overhead rates, facilities capital and cost of money (FCCM) rates, government furnished property (GFP) and the formulation of a State of Work (SOW) which would be consistant with the Contractor's proposed three-phased development approach.
